WORK & LEADERSHIP EXPERIENCE

Classic Dry Cleaners   **Miami, Florida**
IT Intern   Summer 2024
- Provided timely technical support and troubleshooting for all on-site computer systems, printers, and network issues.
- Performed hardware upgrades and routine maintenance on PCs to optimize system performance and extend equipment longevity.

Rho Kappa National Social Studies Honor Society   **Miami, Florida**
President   August 2024 - May 2025
- Led and directed monthly meetings for 50+ members.
- Organized and executed community events, including a fundraiser that raised over $500 for a local charity.
- Spearheaded the planning and execution of a first-of-its-kind tournament, managing logistics and marketing.

PROJECTS

Personal Portfolio Website | GitHub Codespaces, HTML, CSS, JavaScript
- Developed and deployed a responsive personal website to showcase projects, skills, and professional experience.
- Utilized GitHub Codespaces and AI-assisted tools to accelerate the development workflow and streamline coding.
- Hosted the final site using GitHub Pages for public accessibility.

Roman Numerals & Population Calculator | Python
- Developed a console-based Python application to convert numbers and model population growth.
- Structured the code using classes and functions to keep it organized and easy to modify.
- Designed a menu-driven interface with robust input validation to ensure a user-friendly experience.
